Executive Orders Affecting Charitable Nonprofits

Updated May 2, 2025

New updates are highlighted in beige.

After his January 20th inauguration, President Trump signed dozens of Executive Orders (EOs) covering a broad range of issues, including diversity, equity, and inclusion programs; government grants and contracts; civic engagement; immigration; and certain nonprofit subsectors.

Some of the EOs won't take effect immediately, and many are expected to be immediately challenged in court. This chart outlines some of the EOs that may affect nonprofits directly or indirectly.

This document will be updated frequently, so please use this link to see the most up-to-date version: https://www.councilofnonprofits.org/files/media/documents/2025/chart-executive-orders.pdf
